Media Statement

"Today, I informed the Chief Government Whip of a legal incident that I have been involved in. Pending resolution of this incident, I have resigned from the government caucus and all legislative committees effective immediately. I apologize to my family, my friends, my constituents, my colleagues, my staff, and to all Albertans for the embarrassment I have caused in failing to live up to the standards expected of me and the standards I expect of myself. I made this mistake as a result of a profound lapse in my personal judgment. It is a mistake for which there are no excuses and for which I accept full responsibility. This is a deeply embarrassing moment and all I can say is that I am sorry and I humbly ask for forgiveness. I will work long and hard to regain the trust of the many I have let down."

Sincerely,

Mike Allen, MLA

Fort McMurray-Wood Buffalo Constituency
